

Terms & Conditions – zForex Webinar NDB

1. Campaign Overview

The NDB (Networking Dapet Bonus) Webinar Campaign is a referral-driven webinar program organized by zForex to encourage community engagement, acquire new clients, and identify potential Introducing Brokers (IBs). Participants may invite others to join the webinar using their personal IB referral link and become eligible for rewards based on qualified referrals.

2. Eligibility

- The campaign is open to both existing and new zForex clients.
 - Existing zForex clients may participate in the webinar and invite new participants.
 - Existing clients cannot be counted as referred participants under another participant's referral.
 - Participants wishing to invite others must first register through the **Become a Partner** page to obtain their personal IB number.
 - New clients who wish to join the webinar must complete their registration through the official webinar landing page: <https://zforex.com/id/lp/registrasi-webinar-landing-page/>
 - Participants registering under an Introducing Broker (IB) are solely responsible for entering the correct **Agent ID (IB Number)** during account registration. zForex shall not be responsible for any incorrect or missing referral attribution resulting from inaccurate or incomplete Agent ID information.
-

3. Referral Mechanism

- Participants must invite others using their personal IB referral number available in the IB Portal.
- Every newly referred participant may also register as a partner and receive their own referral link to invite others.
- Referral attribution is limited to one referral level only.

Example:

- Participant A invites Participant B.
- Participant B invites Participant C.

Participant C will be counted only as Participant B's referral and will not be counted as Participant A's referral.

- Referral ownership follows the referral link used during account registration and recorded in the zForex CRM.
- Referral ownership cannot be changed after registration.

- Each IB may invite a maximum of 50 participants.
-

4. Qualified Referral

A referral will be considered eligible only if the referred participant:

- Registers through the participant's IB referral link.
- Successfully opens a zForex trading account.
- Completes KYC verification within X business days from account registration and no later than one (1) day before the webinar.
- Successfully secures a webinar seat within the maximum capacity.
- Successfully attends the webinar.
- Referrers (IBs) who fail to meet the webinar attendance requirements will not be eligible to receive any NDB rewards, regardless of the number of qualified referrals they have generated.

Only participants fulfilling all requirements above will be counted as qualified referrals. Referral validation will be finalized before reward calculation.

5. Participation Rules

A participant will be considered to have attended the webinar only if both of the following conditions are satisfied:

- Completes the official attendance form (Google Form) during the webinar.
- Successfully completes the manual attendance conducted approximately 10 minutes before the webinar concludes.
- Each participant must use their name and account number during the webinar. (eg. Arif Rahman_13442)

Failure to satisfy either attendance requirement will result in the participant not being counted as an eligible attendee.

6. NDB Leaderboard Reward

At the end of the campaign, the **Top 5 IBs** with the highest number of qualified referrals will receive the NDB reward.

Reward calculation:

USD 10 Trading Credit (NDB) × Number of Qualified Referrals

Ranking Rules

- Rankings are determined based on the number of qualified referrals.
 - Participants with the same number of qualified referrals within the Top 5 will receive the same reward.
 - If multiple participants tie for the final winning position, priority will be given to the participant whose last qualifying referral completed registration first.
 - The leaderboard will be announced 1 day after webinar ends.
-

7. IB Deposit Bonus

In addition to the NDB Leaderboard reward, IBs will receive an additional:

USD 5 Trading Credit (NDB)

for every referred client who:

- Attend the webinar.
- Deposits a minimum of **USD 100** during the webinar campaign period until **7 calendar days after the webinar**.
- Completes a minimum **net trading volume of 0.10 standard lot**.
- Hedged positions will not be counted toward the required trading volume.
- Eligible positions must remain open for at least **3 minutes** before being closed.

This reward is cumulative and may be received together with the NDB Leaderboard reward.

8. Conditions for No Deposit Bonus

- NDB rewards will be credited as Trading Credit.
 - The bonus amount is non-withdrawable and can only be used for trading.
 - Profits generated from the bonus may be withdrawn with maximum amount equal to received NDB amount. (eg. \$10 NDB can be withdraw maximum \$10).
 - The maximum withdrawable profit generated from the Trading Credit shall not exceed the value of the Trading Credit awarded, unless otherwise determined by zForex.
 - There is no minimum requirement for trading lot.
 - The account leverage is set to 1:400.
 - The withdraw can be requested up to 30 days after the NDB is credited.
 - Any attempt of abuse, hedging between accounts, or fraud will result in cancellation of the bonus and profits.
-

9. Fraud Prevention & Abuse Policy

The following activities are strictly prohibited:

- Duplicate or multiple account registrations.
- Multiple accounts operated by the same individual.
- Accounts sharing the same identity, IP address, device, or other indicators reasonably suggesting abuse.
- Identity fraud or fake KYC verification.
- Self-referrals.
- Referral manipulation.
- Artificial webinar attendance.
- Bonus abuse.
- Hedging intended solely to satisfy campaign requirements.
- Arbitrage trading.
- Latency abuse.
- Any activity intended to manipulate campaign results or unfairly benefit from the promotion.

zForex reserves the right to investigate any suspicious activity and determine participant eligibility at its sole discretion.

Where abusive trading or fraudulent activity is identified, zForex may:

- Cancel Trading Credit.
 - Cancel any profits generated from the bonus.
 - Remove participant eligibility.
 - Disqualify the participant from the campaign.
 - Suspend or terminate related accounts where applicable.
-

10. General Terms

- zForex reserves the right to verify participant eligibility, referral ownership, KYC completion, attendance records, deposits, and trading activity.
- All campaign calculations will be based solely on zForex's internal systems and CRM records.
- zForex reserves the right to modify, suspend, postpone, or terminate this campaign at any time without prior notice.
- All campaign decisions made by zForex are final and binding.
- Participation in this campaign does not create any legal right to appeal, dispute, or claim compensation regarding campaign decisions.
- By participating in this campaign, all participants acknowledge and agree to these Terms & Conditions.
